

The original recipe was three times the amounts listed....and my sister says that Mom used suet in hers. Dianne says she just added margarine instead of the suet.

Green Tomato Mince Meat

6 cups chopped green tomatoes
9 cups peeled and chopped tart apples
6 tsp. cinnamon
3 tsps. each: salt, allspice, cloves
9 cups sugar
3 lbs raisins
3/4 cup vinegar
1 lb margarine

Mix all ingredients together, bring to a rapid boil and simmer till thick. Pour into sterilized jars and seal. I assume that one could freeze this as well though I have never tried.
